WORK EXPERIENCE

Peninsula Montessori Academy

Boston, USA

Growth Strategy & Commercial Operations Coordinator

Aug 2025 – Present

- Analyzed 3K+ lead and enrollment records using Excel, CRM platforms, and Google Analytics to identify conversion bottlenecks, customer segmentation trends, and operational inefficiencies, contributing to a 20% increase in tour-to-enrollment conversion rates.
- Developed centralized dashboards and executive reporting materials using Procure, Excel, and Google Analytics to monitor enrollment funnel performance, lead conversion trends, and customer engagement metrics, reducing manual reporting time by 25% and improving cross-functional visibility into growth and operational performance.
- Collaborated cross-functionally with admissions, operations, marketing, and external partners to maintain and optimize customer-facing resources, enrollment workflows, and communication processes, contributing to 15% improvement in lead response efficiency.
- Conducted market and customer behavior analysis using campaign performance data, A/B testing, and audience segmentation techniques to optimize acquisition strategies and reduce cost-per-lead by 15%.
- Supported process standardization and ongoing updates to marketing and enrollment resources as business priorities evolved, while tracking stakeholder feedback and identifying opportunities to improve customer experience and operational effectiveness.

Detecon Consulting

Guangzhou, China

Market Intelligence & Business Strategy Intern

Sep 2025 – Dec 2025

- Analyzed 1M+ customer and operational data records using Excel and SQL to identify high-value customer segments and business trends, supporting retention and revenue growth initiatives.
- Developed 10+ executive-level presentations, dashboards, and analytical reports that translated complex market and operational data into actionable business insights for senior leadership and client stakeholders.
- Conducted market research, competitive benchmarking, and industry analysis across 10+ reports and client datasets, contributing to strategic recommendations and process optimization initiatives.
- Collaborated with a 7-member consulting team to support cross-functional business analysis projects, streamline reporting workflows, and identify operational improvement opportunities projected to reduce annual costs by approximately RMB 5M.

Sisyphus Training

Paris, France

Customer Insights & Growth Analytics Trainee

Oct 2023 – Jun 2025

- Designed and executed cross-platform marketing campaigns (Instagram, RedBook), achieving 2,000+ views within 2 hours and up to 40% conversion rates.
- Analyzed customer behavior and supported conversion optimization strategies, achieving a 20%+ weekly conversion rate and 30% monthly repurchase rate through data-driven campaign and retention initiatives.
- Assisted with managing CRM operations on HubSpot, improving lead tracking efficiency by 15%.
- Organized and planned multiple brand events and developed promotional materials using Adobe Photoshop and Canva, attracting 100+ attendees at key events and achieving €5,000 in personal sales performance in a single day.
- Optimized website content and landing pages (Wix), increasing CTR by 30% and achieving a 12.5% visitor-to-purchase conversion rate.
- Managed and expanded a social media community of 2,000+ members by leveraging Hootsuite and Buffer.
